feMAELSTROM: Melding four shows into one

NovaStage presents feMAELSTROM, a presentation of four iconic solo shows which share themes of searching for an identity and the quest to be something greater than the sum of its parts.

f e M A E L - STROM is a story with four parts which are all a story within themselves. Each part is different, although they all share some common themes.

f e M A E L - STROM brings its audience face-to-face with some of the world's most famous (or infamous) females. Past, present, myth and memory meld together in this production.

This production is the result of an idea that began with NovaStage's formation nearly three years ago. The show is collaborative play-

making, involving three directors, four actors, two playwrights and several designers working closely together.

feMAELSTROM runs at

the Cambridge Centre for the Arts tonight and tomorrow night, and Sept. 13 to 15. All shows begin at 8 p.m. For more information, call 622-9676.
